## General Information for Tourists

### CANADIAN CUSTOMS REGULATIONS

#### FOR FORTY-EIGHT HOURS

Automobiles may be entered at any Canadian port for touring purposes for a period not exceeding 48 hours, by the owner surrendering his State license card, which is handed to him on his return journey.

#### FOR TWO TO SIXTY DAYS

For a period of sixty days a motorist may bring his car into Canada for touring purposes only and return by the port of entry or any other port without bond or deposit, the only requirements being the possession of a State license identifying the car, and the completion of a Customs form, on which particulars of the car are recorded. One form is retained by the Customs Officer and one by the motorist, which is to be surrendered by him at any point of exit on leaving Canada.

#### FOR SIXTY TO NINETY DAYS

One extension of thirty days to a limit of ninety days may be granted without bond or deposit by presenting the original Customs form to any Customs Officer.

#### FOR ONE TO SIX MONTHS

Automobiles may be entered at any Canadian port of Customs for touring purposes, for a period of one to six months, by filling in the same form referred to and signing a bond in approved form for double the amount of the estimated duties on the vehicle, or securing a special bond of an incorporated guarantee company authorized to do business in Canada.

The automobile of any tourist not returning within the time limit is liable to seizure. Should an unforeseen delay occur, prolonging the time of stay in Canada beyond that mentioned in the tourist's permit, the Customs Department, Ottawa, should be communicated with at once.

#### TOURIST'S OUTFITS

Entry is permitted into Canada, without deposit, of guns, rifles, fishing tackle, golf clubs, tennis racquets, outdoor motors, tents and camp equipment, and cameras previously used by a tourist and imported for personal use. Dogs and other animals imported for hunting or as pets are also admitted without deposit.

#### EXTRACT FROM UNITED STATES TARIFF REGULATIONS

Residents of the United States returning from abroad may bring in free of duty articles up to, but not exceeding \$100.00, in value, acquired abroad for personal or household use, or as souvenirs or curios, if not intended for sale or purchased on commission for other persons. Such articles may be admitted free notwithstanding they do not accompany returning residents provided they were actually purchased by them when abroad.

Each member of a family is entitled to the exemption of \$100.00 for such articles purchased abroad. When a husband and wife and minor or dependent children are travelling together the articles included within such exemption may be grouped and allowances made without regard to which member they belong. A resident of the United States shall not take advantage of the exemption thus granted within a period of 30 days from the last exemption claimed.

#### SOME RULES OF THE ROAD

DRIVE CAREFULLY. KEEP TO RIGHT OF ROAD.  
DO NOT CUT IN. Indiscriminate cutting in or out of traffic is one of the greatest dangers of the road.  
OBSERVE AND OBEY ALL HIGHWAY SIGNS.  
DO NOT ATTEMPT TO PASS other vehicles on curves, at intersections or on bridges.  
ALWAYS SIGNAL your intention before turning or stopping.  
IF INVOLVED IN AN ACCIDENT, return to the scene of the accident and notify the police.  
WHEN DRIVING AT NIGHT always dim your lights for oncoming vehicles.  
DO NOT PARK on the travelled portion of a highway unless a clear and unobstructed width is left for the passage of other vehicles and unless a clear view of the parked vehicle can be obtained for a distance of two hundred feet each way.
